

Management Bios

**YUVAL BRISKER**

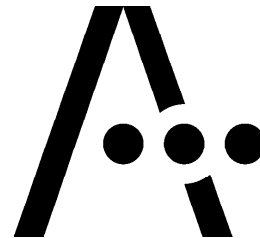

Co-Founder, President  
& Chief Executive Officer

Yuval is the CEO and co-founder of Alviere. Prior to Alviere, Yuval co-founded TOA Technologies, the leading global provider of field service management SaaS solutions.

He led TOA over 40 straight quarters of recurring revenue growth, raising \$133m in capital from Draper, Intel Cap & TCV. Oracle acquired TOA in the summer of 2014 for the highest multiple they had paid for a company to date.

TOA is now Oracle Field Service, it's own pillar in Oracle Service Cloud. Under Yuval's leadership TOA grew from a two-man start-up based in Cleveland, OH to over 700 employees worldwide in over 20 countries, including the 7 largest countries in Latin America, and numerous name brand customers including Cox Communications, Dish, Liberty Mutual, Virgin Media, Telefonica, Home Depot and more.

Before founding TOA, Yuval spent years growing and managing technology ventures. He has a Bachelor of Science in Environmental Design, a Bachelor of Architecture from Pratt Institute in Brooklyn and almost completed an MA in Cinema Studies from New York University. Yuval was a Captain in the Israeli Air Force.

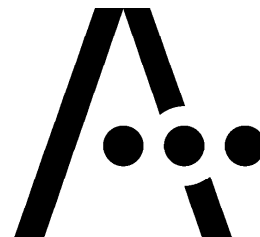

**PEDRO SILVA**

Co-Founder, President  
& Chief Operating Officer

Pedro is a co-founder of Alviere, and the chief architect of its technology. In addition, Pedro also leads all technology, development, quality assurance, implementation and cloud Infrastructure, while overseeing Alviere's financial industry and banking operations.

Previously, Pedro was a key member of TOA Technologies senior team, responsible for the growth of TOA in Latin America, delivering and managing tier 1 customers such as Telefonica, America Móvil and Banco do Brasil.

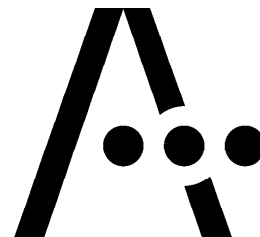

Pedro began his career as a programmer, working for diverse companies such as Portugal Telecom, edocs, Siebel and Oracle, growing into leading consulting and pre-sales organizations across Europe.

**STEVEN SCOFELIA**  
Chief Financial Officer

Steven is the CFO at Alviere, overseeing finance, corporate development, investor relations, human resources, and company culture. In addition, Steven is building the foundation for taking Alviere into the next phase of growth.

Prior to joining Alviere in 2018, Steven spent 10 years working as a senior leader at Dish Network, leading and developing finance, operations and analytics organizations.

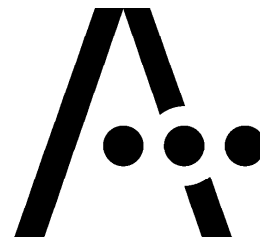

**LUIS TRUJILLO**

Chief Compliance Officer

Luis heads up Compliance, Risk and Payments operations at Alviere. With over 10 years of experience in both the private & public sector, Luis has vast technology experience supervising and/or consulting companies such as Amazon Payments, Circle, Coinbase, Facebook Payments, Google Payments, Microsoft Payments, MoneyGram, Uphold and Western Union.

Luis has also spent a large part of his career establishing complex corporate structures, banking relationships and payments operations. In addition, he has developed, implemented and managed compliance programs globally, including licensing, fraud prevention and risk management.

**TIM DARDIS**

VP of Business Development & Strategy

Tim heads Business Development and Strategy at Alviere, with a focus on establishing first wins in new verticals. Tim previously was with PayPal and Venmo where he spent ten years leading in Strategic Sales and was personally involved with winning and managing customers such as McDonalds, Uber and many other name-brand companies.
